

Thanksgiving

For me Thanksgiving is the time to reflect on all that I am truly thankful for in my life.

I am thankful for APA and for the opportunity to serve as your President. It has been exciting for me with each day offering a new opportunity and a new challenge.

I am thankful for Freda Dye, President Elect. I have enjoyed working with her daily and I look forward to supporting her in her presidency. She will serve APA well as your National President.

I am thankful for the friends that I have made in APA. It moves me deeply that God has put them in my life. These friends love me in spite of my faults and shortcomings. They are not afraid to tell me when I am on the wrong path, or if they disagree with me.

I am thankful for the members of the NE Region who have supported and guided me throughout my presidency.

I encourage you to express your thankfulness by taking a moment to share with someone who is not a member of APA the gifts that you have received through your association with this organization.

Blessings to you and your family during this season of thanksgiving.

Peace,
